SAMARITAN'S PURSE

Laurent Trabadello shared about working within an organization to spread the training.

Challenges and solutions...

- Organizational culture requires wisdom in how to incorporate outside materials
- Perceptions and how to bring clarity
- Avoiding "Mission Drift" in Christian organization
- Openness and adopting a learning attitude
- Wanting to be more effective and obedient to Christ's ministry principles
- Connecting with like-minded colleagues and influencers
- Organic versus organizational approach
- Supporting like-minded partners
- Knowing how to respond to criticism and acknowledging your limits
- Results speak for themselves! The power of transformed lives and communities
- Time and tyranny of the urgent (mitigated success of Coram Deo online cohort)
- Relief versus Development
- DART Church-relations role
- Building trust in relationships

1. It is God who wants to bring the change in the world and it is God at work.
2. God is inviting us to join Him in bringing healing, transformation and reformation in society.
3. God is looking for the person with the right HEART NOT skills. A heart that is obedient to Him, a heart that He can mold to what He wants.
4. God does NOT need numbers.
5. God has given us the mandate to bring disciple/subdue every sphere of life and bring it under the control of the Kingdom of God. [Reformation & Transformation]
6. God has ALREADY paid the price and made the provisions necessary to bring about healing, reformation and the transformation of society.
7. God wants to bring healing to all aspects of society.
8. Only God's purpose will prevail.
9. This is the season for the continent of Africa.
10. This is the message of the hour for Africa in that it is in line with God's intentions as stipulated in the Lord's Prayer.
