

Discipleship Curriculum for Young Professionals

Your Vocational Expansive Horizons:

Joining God in His Work through your life and work

Desired Outcome:

- ▶ To give young adults & professionals a biblical framework that is future shaping and upon which they can build and find purpose for their vocation
- ▶ To take the DNA teachings/principles and find expression in a curriculum that moves this generation of professionals to be co-agents with God for the transformation of their society

Desired Outcome :

- ▶ To add value to discipleship that is already happening in the local church and to give it an expanded/holistic depth and breadth – equipping ministers from Sunday to Sunday
- ▶ To give young professionals language to engage in society in transforming ways

Desired Outcome :

- ▶ To help move young adults to the deeper DNA content (The Monday Church, LifeWork, etc.)
- ▶ To ground and help equip this generation of millennials & next gen for Kingdom impact in society based on a biblical worldview
