THE CASCADE OF TRANSFORMATION

Mindset Worldview Transformation

- DNA's strongest domain scored 4.53/5
- **93%** report increased freedom in their walk with Christ
- **91%** report personal transformation in how they think
- **89%** developed the ability to identify cultural lies
- Participants shift from compartmentalized faith → holistic Christianity, seeing all of life as sacred

"Everything is integrated to become part of God's work. And we are kingdom agents of transformation."

Disciple Nations Alliance

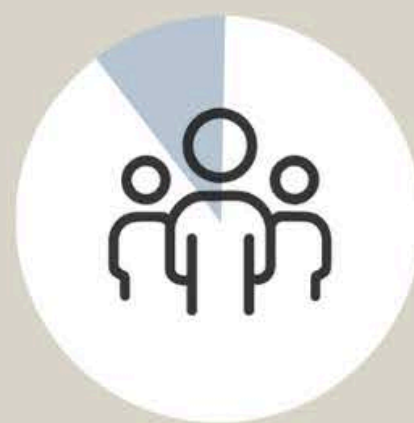

Application From Concept To Life

85.2% successfully applied biblical principles in life, work, and community life.

Influence Multiplying Transformation

- **82–83%** can engage and influence others in worldview conversations
- Participants mentor, lead training, and use their platforms to impact communities

Movement- Building Sustainable

- **85–87%** see their role in building lasting movements
- Outcomes include leadership development, networks, and cross-cultural impact

Why DNA Works

1. Rooted in Scripture, holistic faith integration, and practical application
2. Uses discussion-based learning and long-term relational engagement
3. Empowers participants to teach and multiply transformation

When worldviews are transformed by biblical truth, individuals become **agents of change**—impacting families, communities, institutions, and nations.
